

DRAFT MNSure Advisory Committee Online Rules

Participation

All committee members should feel welcome to contribute.

A broad spectrum of opinions is desired

This is a public forum. Do not post personal information

Language

No messages that harass, insult, belittle, or threaten another member.

Offensive words and / or graphics will be removed

Avoid typing in ALL CAPS, which is considered shouting or yelling

Appropriate topics

Focus on the discussion question or related questions.

Start new threads as needed and related to our committee work.

Expressing your point of view on a topic

Responses should be posted for all to see. Please avoid sending email to respond to a post. A forum is for the benefit of all.

Keep in mind there will always be differences of opinion. Try to remain objective and not personalize issues

Be constructive. It's okay to disagree with other forum participants, in fact we encourage debate, just keep the dialogue positive.

Review your post(s) before you click send/post. Make sure they express the appropriate tone you want to relay.
