Open enrollment ends January 15

- Open enrollment ends on Saturday, January 15
- As of December 15, 125,507 Minnesotans had signed up for 2022 QHP coverage! And 58% of MNsure enrollees are eligible for tax credits.
- Extended hours in last days of open enrollment:
 - Friday, January 14, 8 a.m. – 6 p.m.
 - Saturday, January 15, 9 a.m. – 9 p.m.
 - MNsure is closed on Monday, January 17, for the Martin Luther King, Jr holiday.
 - **BSL hours starting January 18: 8:30 a.m. – 4:30 p.m.**
- Note: We anticipate that the federal public health emergency, which currently expires January 15, will be extended.

Tax time and 1095-As

- MNSure will be mailing 1095-A forms to consumers who enrolled in a qualified health plan through MNSure for any part of 2021.
 - In addition to the notifications section in their METS account, the 1095-A is available in the “My Inbox” section of a consumer’s enrollment dashboard. Assisters should not view or print a consumer’s 1095-A form.
 - The second lowest cost silver plan will be populated on the form, so enrollees do not need to look up this data.
 - The form will not include a cover letter. Some instructions are printed on the form itself and MNSure will send out a general email when we begin to issue forms.
- Assisters will see a guide posted on Assister Central later this month with information on how to help consumers with questions on their 1095-A form.
- Reminder: MNSure staff and certified assisters are prohibited from providing tax advice.

Special enrollment periods

- Once open enrollment ends on January 15, a special enrollment period (SEP) is required to enroll in or change a qualified health plan (QHP).
- An individual must either experience a qualifying event or be a member of federally-recognized tribe in order to qualify.
- The steps for enrolling are different depending on whether the consumer is new to MNsure or is a returning consumer. Be sure to review the process on Assister Central: Helping Consumers: [Special Enrollment Period](#).
- New for 2022: The effective date for coverage for SEPs will be the first day of the month following the date when a consumer selects their plan (unless an earlier coverage effective date is allowed).

Consumers enrolled in coverage

- For consumers enrolled in a 2022 plan through MNsure:
 - Remember that an enrolled consumer can adjust their APTC at any time during the year by logging in to their enrollment dashboard.
 - Enrolled households who want to cancel their plan can do so by logging in to their enrollment dashboard. Consumers should always cancel a plan, rather than just stop paying premiums.
 - If only part of the household needs to cancel their plan, you will need to call with your consumer present to get the plan cancelled for that consumer.
 - If a consumer reports a change that makes the public program eligible, MNsure will automatically cancel their private plan.
