Contract Renewal Process

- All MNsure contracts with navigator and certified application counselor agencies expire June 30, 2022.
- The new 3-year contracting period will begin July 1, 2022 and run through June 30, 2025.
- To continue as a navigator or CAC partner after June 30, 2022, agencies must complete and submit an application online through the Agency Management Program (AMP).
- The application will be available later this week and should be submitted no later than May 20 to ensure the new contract is executed by July 1.
- The individuals at your agency who can complete the application (those having AMP access) will get an email notification with instructions.
