Contract renewal process

ALL navigator contracts and certified application counselor agreements (CAC) expire June 30, 2025.

The new 3-year contracting period begins July 1, 2025, and runs through June 30, 2028.

MNsure has been communicating with agency administrators on the process. If an agency has not taken any action, we will begin notifying their navigators/CACs that their certification will expire on June 30.

By next week, agencies with an approved application will get an email through DocuSign to electronically execute their new contract.

Thank You for Attending!
