

2026 Annual Health Plan Selection (AHPS)

2026 Health Plan Changes

- UCare will have a new Health Plan ID beginning January 1, 2026, for all programs and products.
 - The new UCare Health plan ID number is A390628400.
- Enrollees that want to make a health plan change must return their notice or phone-in a health plan change.
- **Prepaid Medical Assistance Program (PMAP) (MA 12, IM 12, NM 12)**
 - HealthPartners will remain in the same counties as 2025 and will accept new enrollments and be part of the rotating default again.
 - PrimeWest will be the single plan option in the PrimeWest service area.
 - South Country Health Alliance (SCHA) will be the single plan option in the South Country Health Alliance service area.
 - UCare will remain in the same counties as 2025 and will continue not accepting new enrollments, reenrollments, or be part of the rotating default.

2026 Health Plan Changes (cont. 1)

- **MinnesotaCare (BB01, FF01, LL01)**
 - HealthPartners will remain in the same counties as 2025 and will accept new enrollments and be part of the rotating default again.
 - UCare will remain in the same counties as 2025 and will continue not accepting new enrollments, reenrollments, or be part of the rotating default.
- **Integrated Special Needs BasicCare (SNBC) (MA 17):**
 - PrimeWest and South County Health Alliance are the only plans with an integrated SNBC option for 2026.
 - Medica will no longer offer an Integrated SNBC plan in any county.
 - UCare will no longer offer an Integrated SNBC plan in any county.

2026 Health Plan Changes (cont. 2)

- **Non-Integrated SNBC (MA37) :**
 - UCare will remain in the same counties as 2025 and will continue not accepting new enrollments, reenrollments, or be part of the rotating default.
- **Minnesota Senior Health Options (MSHO) (MA02):**
 - UCare will no longer offer MSHO in any county.
- **Minnesota Senior Care Plus (MSC+) (MA30, MA35, MA36):**
 - There are no changes for MSC+ for 2026.

- Notice language has been updated.
- For enrollees with more than one plan option notices say:
 - “If you request a change, it will be effective April 1, 2026, or earlier. If you request a change, you will receive a notice in the mail providing the effective date.”
- What this means is:
 - AHPS responses will be processed in the order in which they are received, and enrollments will be entered for the next available month.
 - Enrollment effective dates could be as early at 2/1/2026 for AHPS responses that were processed before cut-off or 1st capitation in January.

SNBC and Seniors Notice Information

Special Needs BasicCare (SNBC)

SNBC is a voluntary managed care program for people with disabilities. There are two programs within SNBC.

1. Non-integrated SNBC Program (MA 37)

- MA services are covered by the health plan.
 - Can change plans or opt out of SNBC and return to Fee for Service (FFS) by returning their AHPS notice.
 - If dual eligible for MA and Medicare, Medicare services are covered by original Medicare or FFS.
 - Can enroll in Integrated SNBC by calling the health plan they wish to enroll in.

2. Integrated SNBC Program (MA 17)

- MA services plus Medicare Part A, B and D prescription drugs are covered by the health plan.
 - Can call Minnesota Aging Pathways to pick a Part D plan which will change them to FFS.

AHPS Notices for SNBC

- Specific instructions, deadlines, and contact information are on each notice depending on the program the person is enrolled in.
- If an enrollee has questions about SNBC health plan choices or if they want to know if SNBC is right for them, counties and tribes should provide choice counseling. Transfers to the Disability Hub MN™ should only occur if someone has questions beyond choice counseling that the county/tribe can provide.
- Enrollees can call their health plan if they have questions about the clinics or primary care providers available.
- If they do not want to change, they do not need to do anything.

Senior Notices

Senior Programs

There are two managed care programs for seniors.

1. **Minnesota Senior Care Plus (MSC+) (MA30, MA35, MA36)**

- Mandatory managed care program for people 65+
 - MA services are covered by the health plan.
 - Can change plans by returning their AHPS notice or completing a phone-in change request.
 - If dual eligible for MA and Medicare, Medicare services are covered by FFS or original Medicare.
 - Can enroll in MSHO by calling the health plan they wish to enroll in.

2. **Minnesota Senior Health Options (MSHO) (MA02)**

- Voluntary managed care program for people 65+ who opt-in
 - MA services plus Medicare Part A, B and D prescription drugs are covered by the health plan.
 - Can change MSHO plans by calling the health plan they wish to enroll in.
 - Can change to MSC+ by contacting their current health plan.

AHPS notices for Seniors

- Specific instructions, deadlines, and contact information are on each notice depending on the program the person is enrolled in.
- Enrollees can call Minnesota Aging Pathways if they have questions about MSHO.
- If they do not want to change, they do not have to do anything.
