However, the Tribe will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the Contract is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Tribe notice of the lack of funding within a reasonable time of the State receiving that notice.

**15.4 Termination by The Commissioner of Administration.** The Commissioner of Administration may immediately and unilaterally cancel this grant contract agreement if further performance under the agreement would not serve agency purposes or is not in the best interest of the State.

**15.5 Suspension.** If funding from the Minnesota Legislature or other funding source is canceled, withdrawn, or terminated, or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here, the State may, at its option, according to Minn.
