5.4 Agreement Complete. The Agreement, this Attachment A and Attachment B contain all negotiations and agreements between the State and the Contractor. No other understanding regarding the Agreement and this Attachment A and Attachment B, whether written or oral, may be used to bind either party or the Third Party Beneficiary.

The Contractor agrees to indemnify, save and hold MNSure, DHS and the State, its representatives and employees harmless from any and all claims or causes of action, including all attorneys' fees incurred by MNSure, or DHS, and/or the State arising from the performance of this Agreement by the Contractor or the Contractor's agents or employees. This clause will not be construed to bar any legal remedies that the Contractor may have for MNSure's or the State's failure to fulfill its obligations pursuant to this Agreement. MNSure's and DHS' liability, if any, are governed by Minn. Stat. § 3.736.

7. State Audits

8. Intellectual Property

8.1 Intellectual property rights. The State owns all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the works and documents created and paid for under this Agreement. The "works" means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by the Contractor, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this Agreement. "Works" includes documents. The "documents" are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by the Contractor, its employees, agents, or subcontractors, in the performance of this Agreement. The documents will be the exclusive property of the State and all such documents must be immediately returned to the State by the Contractor upon completion or cancellation of this Agreement. To the extent possible, those works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." The Contractor assigns all right, title, and interest it may have in the works and the documents to the State. The Contractor must, at the request of the State, execute all papers and perform all other acts necessary to transfer or record the State's ownership interest in the works and documents.

8.2 Obligations.

- (a) **Notification.** Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by the Contractor, including its employees and subcontractors, in the performance of this Agreement, the Contractor will immediately give the State's Authorized Representative written notice thereof, and must promptly furnish the State's Authorized Representative with complete information and/or disclosure thereon.
- (b) **Representation.** The Contractor must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the works and documents are the sole property of the State, and that neither Contractor nor its employees, agents, or subcontractors retain any interest in and to the works and documents. The Contractor represents and warrants that the works and documents do not and will not infringe upon any intellectual property rights of other persons or entities. Notwithstanding Clause 9 of this Attachment, the Contractor will indemnify; defend, to the extent permitted by the Attorney General; and hold harmless the State, at the Contractor's expense, from any action or claim brought against the State to the extent that it is based on a claim that all or part of the works or documents infringe upon the intellectual property rights of others. The Contractor will be responsible for payment of any and all such claims, demands, obligations, liabilities, costs, and damages, including but not limited to, attorney fees. If such a claim or action arises, or in the Contractor's or the State's opinion is likely to arise, the Contractor must, at the State's discretion, either procure for the State the right or license to use the intellectual property rights at issue or replace or modify the allegedly infringing works or documents as necessary and appropriate to obviate the infringement claim. This remedy of the State will be in addition to and not exclusive of other remedies provided by law.
- (c) **License Reserved for U.S. Department of Health and Human Services.** Because federal funds are used in funding this Agreement, in accord with 45 C.F.R., sec. 92.34, for Works and Documents created and paid for under this Agreement, the U.S. Department of Health and Human Services will have a royalty free, non-exclusive, perpetual and irrevocable right to reproduce, publish, or otherwise use, and to authorize others to use, the Works or Documents created and paid for under this Agreement for federal government purposes.

9. Workers Compensation

Contractor certifies that it is in compliance with Minn. Stat. §176.181, Subd. 2, pertaining to workers' compensation insurance coverage. Contractor's employees and agents will not be considered State employees. Any claims that may arise under the Minnesota Workers' Compensation Act on behalf of these employees and any claims made by any third party as a consequence of any act or omission on the part of these employees are in no way the State's obligation or responsibility.

10. Debarment by Federal, State, Departments, Commissions, Agencies, or Political Subdivisions

10.1 Contractor certifies that neither it nor its principals is presently debarred or suspended by the State, or any of its departments, commissions, agencies, or political subdivisions. Contractor's certification is a material representation upon which the Agreement award was based. Contractor shall provide immediate written notice to the State's Authorized Representative if at any time it learns that this certification was erroneous when submitted or becomes erroneous by reason of changed circumstances.

11. Publicity and Endorsement

11.1 Publicity. The Contractor may use MNSure and State-created materials. MNSure provides its express approval for Contractor to use the MNSure Partner Badge in relation to activities arising out of the Agreement and in accordance with MNSure's policies and procedures. The MNSure Partner Badge is provided to the Contractor by MNSure upon request.

11.2 Endorsement. The State will publicly identify the Contractor as a MNSure Community Assistance Partner, but does not endorse Contractor's products or services. Contractor must not claim any endorsement by the State.

12. Governing Law, Jurisdiction, and Venue

Minnesota law, without regard to its choice-of-law provisions, governs this Agreement. Venue for all legal proceedings out of this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

13. Data Disclosure

Stat. §§ 270B.09, 270C.65, subd. 3, 270C.66 and other applicable law, the Contractor consents to disclosure of its social security number, federal employer tax identification number, and/or Minnesota tax identification number. Identification numbers may be used in the enforcement of federal and state laws which could result in action requiring the Contractor to file state tax returns, pay delinquent state tax liabilities, if any, or pay other state liabilities.

14. Termination

14.1 Termination by either Party. Either party may terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to the other party. Upon termination, the Contractor will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed.

14.2 Termination for Cause. The State may immediately terminate this Agreement if the State finds that there has been a failure to comply with the provisions of this Agreement, that reasonable progress has not been made or that the purposes for which the funds were granted have not been or will not be fulfilled. The State may take action to protect the interests of the State of Minnesota, including the refusal to disburse additional funds and requiring the return of all or part of the funds already disbursed.

14.3 Termination for Insufficient Funding. The State may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Pursuant to Clause 3.2(b) of this Attachment the qualified health plan, Medical Assistance program, and MinnesotaCare program are individually and independently funded from different sources. Insufficient funding for a specific compensation program as identified in Clause 3.2(b) of this Attachment and this Clause will be sufficient to terminate compensation for that specific program. Termination must be by written, fax, or e-mail notice to the Contractor. The State is not obligated to pay for any services that are provided after notice and effective date of termination. However, the Contractor will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. The State will not be assessed any penalty if the Agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. The State must provide the Contractor notice of the lack of funding within a reasonable time of the State receiving that notice.

15. Non-discrimination (In accordance with Minn. Stat. § 181.59)

The Contractor agrees with the provisions of Minn. Stat. § 181.59, which require:

- “(1) that, in the hiring of common or skilled labor for the performance of any work under any contract, or any subcontract, no contractor, material supplier, or vendor, shall, by reason of race, creed, or color, discriminate against the person or persons who are citizens of the United States or resident aliens who are qualified and available to perform the work to which the employment relates;*
- (2) that no contractor, material supplier, or vendor, shall, in any manner, discriminate against, or intimidate, or prevent the employment of any person or persons identified in clause (1) of this section, or on being hired, prevent, or conspire to*

prevent, the person or persons from the performance of work under any contract on account of race, creed, or color;

(3) that a violation of this section is a misdemeanor; and

(4) that this contract may be canceled or terminated by the state, county, city, town, school board, or any other person authorized to grant the contracts for employment, and all money due, or to become due under the contract, may be forfeited for a second or any subsequent violation of the terms or conditions of this contract."

16. Affirmative action requirements for contracts in excess of \$100,000 and if the Contractor has more than 40 full-time employees in Minnesota or its principal place of business

The State intends to carry out its responsibility for requiring affirmative action by its contractors. If the Agreement exceeds \$100,000 and the Contractor employed more than forty (40) full-time employees on a single working day during the previous twelve (12) months in Minnesota or in the state where it has its principle place of business, then the Contractor must comply with the requirements of Minn. Stat. § 363A.36 and Minn. R. 5000.3400-5000.3600. A Contractor covered by Minn. Stat. § 363A.36 because it employed more than 40 full-time employees in another state and does not have a certificate of compliance, must certify that it is in compliance with federal affirmative action requirements.

17. Certification of Nondiscrimination (In accordance with Minn. Stat. § 16C.053)

The Contractor agrees with the provisions of Minn. Stat. § 16C.053, which applies to any contract for which the value, including all extensions, is \$50,000 or more: Contractor certifies it does not engage in and has no present plans to engage in discrimination against Israel, or against persons or entities doing business in Israel, when making decisions related to the operation of the vendor's business. For purposes of this section, "discrimination" includes but is not limited to engaging in refusals to deal, terminating business activities, or other actions that are intended to limit commercial relations with Israel, or persons or entities doing business in Israel, when such actions are taken in a manner that in any way discriminates on the basis of nationality or national origin and is not based on a valid business reason.

18. Counterparts

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.
