

## Here's what certified brokers are saying about MNSure:

*"The Broker Service Team is incredible. That is why I put 100 percent of my business through MNSure. Life events happen (marriage, divorce, job change or loss, new baby and more). I already have my clients with a MNSure account and the change is easy to do and easy on my clients."*

*"For us, and our clients, MNSure is about choices. It is about access to plans, financial assistance, and flexibility if life changes. It is our starting point in client conversations. MNSure's unassisted path for those who will not qualify for financial assistance is easy and eliminates 85-90 percent of application time."*
