

Health insurance that works for you, your family, and your farm

Coverage is available to you whether you're running a farm, operating a small business, or doing seasonal work. If your job doesn't provide an affordable insurance option, **MNsurance is here to help.** Every year, we help thousands of Minnesotans find quality, comprehensive coverage.

MNsurance offers:

- **Quick cost estimates** to see if you may qualify for free or lower-cost health insurance, or tax credits that lower your monthly costs
- **Side-by-side comparisons** of health plans from trusted insurance companies
- **Free local help from certified assisters** who understand rural communities
- **Access to discounts (tax credits)** that are only available through MNsure

It's Important to Shop This Year

Health plans and prices change every year — and this year, there may be big changes. Whether you've used MNsure before or it's your first time, now's the time to check what's available. Even if you've had the same plan for years, there may be a better fit.

- **Open enrollment begins Nov. 1.** This is your chance to sign up for private medical and dental plans, or change plans.
- **Enroll by Dec. 15, 2025, for coverage that starts Jan. 1, 2026.** If you miss this deadline, your coverage will start Feb. 1.
- **Open enrollment ends Jan. 15, 2026.**
