Shop and Compare

MNsure is a marketplace where Minnesotans can shop, compare and choose health insurance coverage that meets their needs.

All MNsure plans include coverage for essential health benefits such as hospitalizations, emergency services, maternity and newborn care, prescription drugs, prevention and wellness visits, mental health and pediatric vision care.

MNsure plans also come with consumer protections. You cannot be denied coverage because of a pre-existing condition, nor can you be charged a higher premium because of your medical history. There is no annual or lifetime dollar limit on coverage.

Get Financial Help

MNsure is the only place you can qualify for financial help that can lower the cost of your monthly insurance premium.

Depending on household income and size, many Minnesotans qualify for a public insurance program like Medical Assistance or MinnesotaCare, or a low-cost plan from a private insurance company.
