XIX. GRANT CONTRACT COMPLETE. This grant contract contains all negotiations and agreements between the State and the Grantee. No other understanding regarding this grant contract, whether written or oral, may be used to bind either party.

XX. OTHER PROVISIONS.

1. GRANTEE agrees that it will at all times during the term of the grant contract keep in force a commercial general liability insurance policy with the following minimum amounts: \$2,000,000 per occurrence and \$2,000,000 annual aggregate, protecting it from claims for damages for bodily injury, including sickness or disease, death, and for care and loss of services as well as from claims for property damage, including loss of use which may arise from operations under the grant contract whether the operations are by the GRANTEE or by a subcontractor or by anyone directly or indirectly employed by the GRANTEE under the grant contract.
2. The GRANTEE further agrees to keep in force a blanket employee theft/employee dishonesty policy in at least the total amount of the first year's grant award as either an addendum on its property insurance policy, or, if it is not feasible to include it as an addendum to a property insurance policy, as a stand-alone employee theft/employee dishonesty policy. The STATE will be named as both a joint payee and a certificate holder on the employee theft/employee dishonesty addendum or on the stand-alone employee theft/employee dishonesty policy, whichever is applicable. Only in cases in which the first year's grant award exceeds the available employee theft/employee dishonesty coverage may grantees provide blanket employee theft/employee dishonesty insurance in an amount equal to either 25% of the yearly grant amount, or the first quarterly advance amount, whichever is greater. Upon execution of this grant contract, the GRANTEE shall furnish the State with a certificate of employee theft/employee dishonesty insurance.
3. GRANTEE agrees that no religious based counseling shall take place under the auspices of this grant.
