MNsure will send your plan selection to your chosen insurance company. In the coming weeks, you will receive a new enrollment packet from the insurance company along with information on where to send your first premium payment. **It is very important that you pay your premium by the due date provided by the insurance company to have coverage starting on the effective date listed above.** If you made more than one plan selection for the same coverage effective date, the last plan you selected is treated as your household enrollment choice and sent to your insurance company.
